SODEN MINERAL PASTILLES

SODEN MINERAL PASTILLES, which were awarded the highest distinction by a medical jury at the International Exhibition at Brussels, have proved to be a first-class remedial agent in all diseases of the organs of respiration and digestion.

SODEN MINERAL PASTILLES are preferred by physicians in diseases of the lungs and chest and asthma. The benefit derived from their use is unsurpassed, and even in the most chronic cases they soothe, ease and stimulate.

SODEN MINERAL PASTILLES are preferable to all similar preparations because they are a natural remedy, an unadulterated product of the springs, containing in an undiminished degree all the sanative principles of these springs.

SODEN MINERAL PASTILLES are prepared exclusively under the personal supervision and control of W. SODEN, M. D., E. K., Sanitary Councilor.

SODEN MINERAL PASTILLES are unequalled as a solvent in coughs and catarrhs, even in the most chronic cases. Their success is unsurpassed.

SODEN MINERAL PASTILLES are a superior remedy in whooping cough and diphtheria; in the former they loosen the mucus of the attack while preventing the latter disease, which cannot take hold in a throat not affected by catarrh.

SODEN MINERAL PASTILLES derive increased value from the fact of having a very favorable influence upon the organs of digestion.

SODEN MINERAL PASTILLES ought to be kept in every home. All mothers are recommended to give their children during the cold season to allow a pastille slowly to melt in their mouths while out on errands or going to school.

SODEN MINERAL PASTILLES are for sale at nearly all druggists at 50c. a box. Should your druggist not keep them kindly address

Soden Mineral Springs Co. (Limited), 15 CECIL ST., NEW YORK.
